

Three simple steps
to successfully install
your device.

Installing your Payzone Plus device.

Device installation and registration.

You will need the following:

- Available 240v power socket for the charging dock to be plugged into.
- Wifi internet connection.
- 15 digit registration code (in the Payzone Plus Registration email we sent to you).
- Test barcode (printed inside the box lid and also on the Welcome letter that came with your Payzone Plus).
- Till roll.

It's time to work **Smaller, Faster and Better...**

Step 1: set-up.

1.

- Insert the supplied till roll into your Payzone Plus as shown opposite.

2.

- The till roll must be inserted this way with the paper exiting the Payzone Plus near the screen.

3.

- Place the Payzone Plus onto the charging dock.

4.

- Plug the charging dock into the power socket and turn it on by holding this button on the side.

Step 1: set-up.

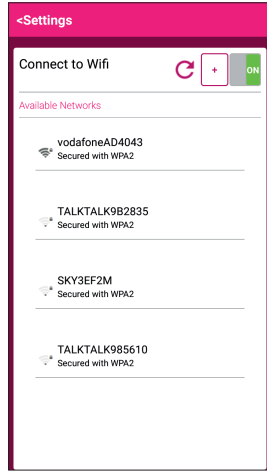

When the Payzone Plus powers on it will display a series of screens in this order: **SAIO, android, android is starting, pink Payzone screen** and then **the network screen** (see below).

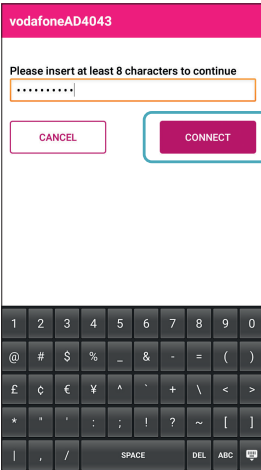

Step 1: set-up.

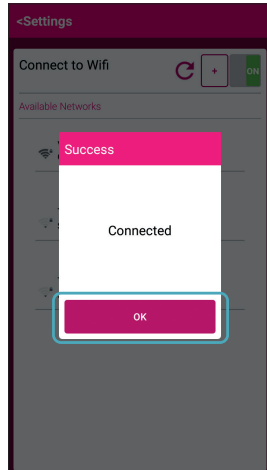

1: Press **Network**.

2: On the **connect to Wifi** screen, select your Wifi router from the list.

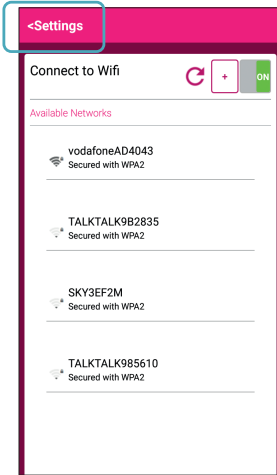

3: Enter the password for your router and press **Connect**.

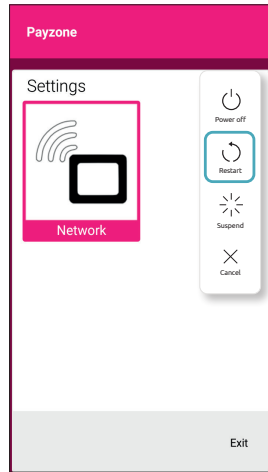

4: A box will show once connection is successful. Press **OK** to continue.

Step 1: set-up.

5: Select **Settings** to go back to the Network screen and press **Exit**.

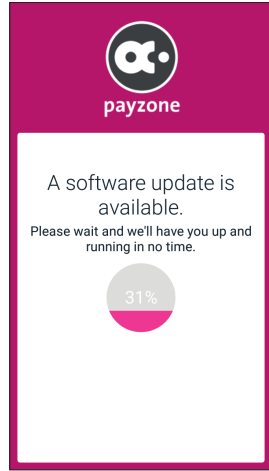

6: Wait a few minutes for the latest software to download. Now hold the power button on the side for a couple of seconds and press **Restart**.

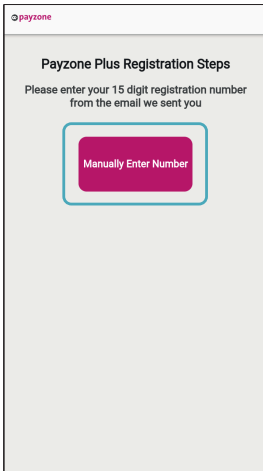

Step 2: Registration.

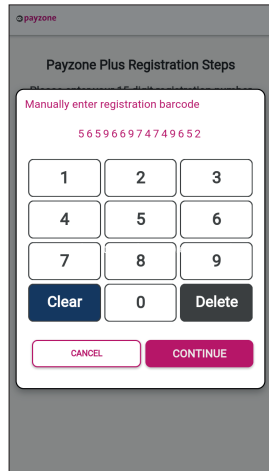

1: The software will update and the Network Settings screen will appear again. Press **Exit**.

2: your Payzone Plus will check for updates and if it doesn't move past this screen, please call the Helpdesk on: **01606 566 566**

3: On the Payzone Plus registration steps screen. Press **Manually Enter Number**.

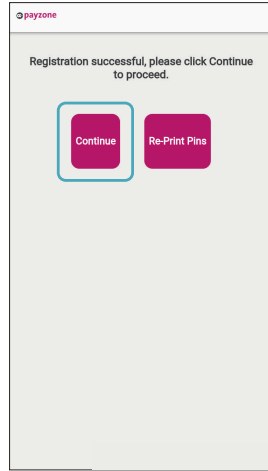

4: Enter your 15 digit registration number from the Payzone Plus registration email we sent to you and press **Continue**.

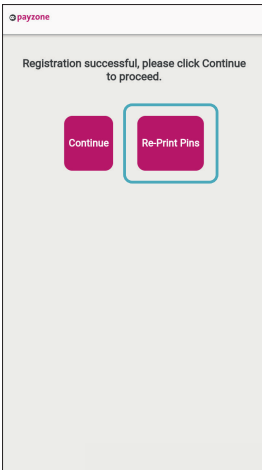

Step 2: Registration.

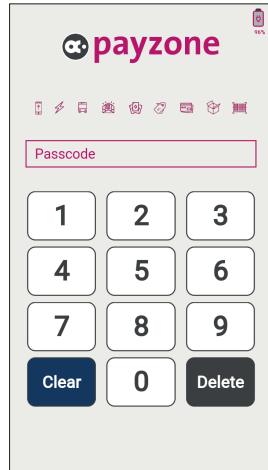

5: The device will now briefly show **Attempting to register** screen.

6: **Registration Successful** will display and your 4 digit cashier and admin PIN numbers will print out automatically, so long as the till roll is inserted correctly. Press **continue**.

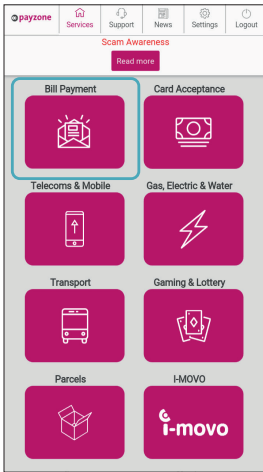

7: If you need another copy of the PINs, simply select **Re-Print Pins** before pressing **continue**.

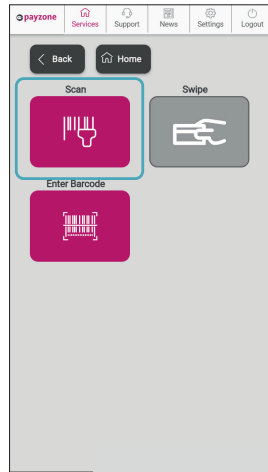

8: The login screen will be displayed. Enter your **4 digit Cashier PIN**.

Step 3: Test transaction.

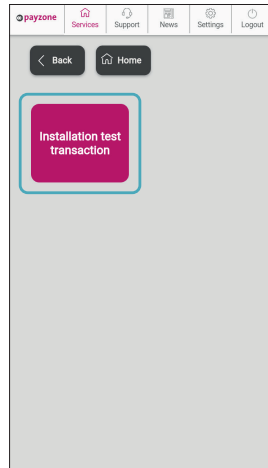

1: Now press **Bill payment**.

2: Press **Scan**.

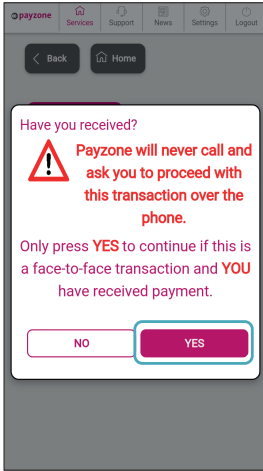

3: Scan this barcode which is also printed under the **box lid** and in the **Welcome letter** you received with your Payzone Plus

4: Press **Installation Test Transaction**.

Step 3: Test transaction.

5: This **fraud warning message** is displayed before every transaction. It's a reminder to you and your staff to check that payment has been received from your customer. Payzone will **NEVER** call you to process a transaction with a value over the phone.

6: Press **Yes** to complete the test transaction which will print this receipt.

Your Payzone Plus is now all set up and ready for your customers!
